Official Journal of the
ASP
[Go to Society Site](#)

You will be immediately taken to your Wiley InterScience user profile. AJP will now be listed in your Saved Titles, and the e-mail alert is already set up for you. The Journal’s Table of Contents will be automatically delivered to the e-mail address listed in your user profile as soon as it is published.

You can stop alerts at any time by logging into Wiley InterScience, clicking My Profile in the top right corner, and clicking the Stop Alert link next to the journal alert you would like to stop receiving.

For your convenience, journals for which you are receiving e-mail alerts are automatically added to your Saved Titles, accessible by hovering your mouse over the Titles menu in the top right corner of your screen after login.
