

**Announcement of the 44th Meeting of the
American Society of Primatologists
Exhibitor Information**

**August 25-28, 2022
Denver, Colorado**

The next meeting of the American Society of Primatologists (ASP) will be held from August 25-28, 2022 in Denver, Colorado. The meeting will be held at the Sheraton Denver Downtown Hotel. Standing committee meetings will begin at 1:00 p.m. on Thursday, August 25 and the opening reception will be held that evening. The scientific meeting will begin at 8:00 a.m. on Friday, August 26 and the meeting will close with the traditional banquet on Sunday, August 28. Also of note, this year we will be offering a virtual/hybrid format for our attendees.

ASP is a multidisciplinary association of approximately 700 professionals and students whose work is focused on nonhuman primates. In recent years, our meetings have attracted 250-400 registrants. Our members include students, technicians, veterinarians, geneticists, psychologists, physicians, neuroscientists, anthropologists, zoologists, conservation biologists, and ethologists, mainly from universities and research facilities throughout North America. Both laboratory and field scientists are active members of this society, so there is great interest in research and biomedical instrumentation, data acquisition and analysis equipment and programs, tracking and recording equipment, books, journals and other information resources, enrichment devices, housing environments, diets, etc.

It is our hope that you will contribute to the success of our meeting by exhibiting materials from your organization. The conference activities will take place in the meeting rooms of the Sheraton Denver Downtown Hotel. Exhibitors will be assigned space in the designated exhibit area in a well-travelled area near all conference activities, including poster sessions, refreshment tables, and the silent auction fundraiser. All other scientific sessions for the conference are in the adjacent meeting rooms. Attendees will be free to examine the exhibits at their leisure from Friday through Sunday.

New this year, we are excited to offer an Exhibitor Blitz. The Exhibitor Blitz will take place prior to a keynote address and will give you the opportunity to briefly introduce yourself, your company and the products and services you provide for the research community.

If you are interested in exhibiting materials at our meeting, please complete exhibitor's registration form (enclosed) and email it to me no later than August 11, 2022. If you have additional questions about the meeting, either now or at any time before the meeting takes place, please feel free to contact me. Finally, if you are unable to exhibit materials for our meeting, but wish to offer support for the ASP, we ask that you consider a donation to our organization. Donors will be specially recognized in the program materials.

I look forward to hearing from you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Justin A. McNulty'.
